

## Annual Gala Sponsorship Opportunities and Benefits

**San Francisco Community Clinic Consortium (SFCCC)** was established in 1982 to strengthen accessible, affordable, culturally and linguistically competent primary health care services for our city's uninsured and underserved. Our clinics collectively make up the largest primary care safety net delivery system in San Francisco, proven effective over 40+ years of dedicated service.

Our **Annual Gala** - SFCCC's biggest annual event, featuring a festive reception and program, brings together 200+ local health care leaders, advocates and community members to raise funds and awareness for SFCCC's vital services. Sponsorship of SFCCC's Annual Gala will fund continued development and expansion of systems of care. **Your support is critical** to achieving our mission and vision to ensure that people of all income levels have access to health care that is:

- Comprehensive, coordinated, and efficient
- Culturally and linguistically appropriate
- Focused on patient needs

We are thrilled to invite you to participate in this exciting event by becoming a sponsor!
