

BOARD RESOLUTION

SAN FRANCISCO COMMUNITY CLINIC CONSORTIUM On SFCCC STRATEGIC PLAN INITIATIVES: GOALS AND OBJECTIVES 2007-2010

Adopted: July 18, 2007

- GOAL 1:** Develop a functional Continuous Quality Improvement (CQI) program, with both network-level and Partner-Clinic-specific components, in order to enhance clinical outcomes.
- 1.1.** Advance the work of an Inter-disciplinary CQI Committee.
 - 1.2.** Support each participating Clinic's advancement of its quality improvement goals.
 - 1.3.** Explore options, educate Partner Clinics, and determine Clinics' interest for developing a network Primary Care – Mental Health and Behavioral Health integration plan, by June 2008.
 - 1.4.** Coordinate Clinic staff/provider training and education opportunities.
- GOAL 2:** Provide a voice and visibility to community health centers & their patients.
- 2.1.** Assemble and implement Board authorized policy priorities.
 - 2.2.** Maintain and expand SFCCC presence in stakeholders' communities.
- GOAL 3:** Maximize Resources to Increase Access to Care
- 3.1.** Support Partner Health Centers in securing funding/reimbursements.
 - 3.2.** Support Partner Clinics in leveraging and linking to services/resources.
